### Key Accomplishments

- Delivered a variety of public and on-site Project Management, Business Analysis, Interpersonal and Leadership training classes in the United States, Canada, Tunisia, Morocco, and Singapore including “PMP Exam Prep”, “Tricks of the Trade for Risk Management”, “Business Process Modeling”, “15 Attributes of the Most Successful Project Managers”, “Tricks of the Trade for Negotiation”, “Hope is Not a Strategy: Key Concepts to Prevent Project Failure”, “Creating Extraordinary Courageous Leadership Success”
- Spoke at industry events for Project Management Institute and International Institute of Business Analysis.
- Conducted an IT Strategy Roadmap to collect business objectives, priorities, and strategies in order to provide prioritized IT recommendations for a service-based company that provides support to the food and beverage industries.
- Contributed to the “CAPM Exam Prep”, “PMP Exam Prep”, “Tricks of the Trade for Risk Management” and the “100 Things Project Managers Should So Before They Die” books.
- Consulted on major projects at organizations such as CVS, Amgen, Toro, Moody’s, ANPAC, Alcatel-Lucent, Pfizer, etc.
- Provided technical solution engineering and audit support for compliance with FDA 21 CFR, Part 11 for customer interaction services for Schering-Plough’s pharmaceutical OTC product, Claritin.
- Managed application built for remote mobile quality assurance representatives of a company to be able to scan returned retail product SKU’s and enter in data, such as pricepoints and a defect code, and then generate an electronic report.
- Managed the stabilization and deployment of the Pfizer Outcomes Research Group’s ePOR extranet site and customer demo site.
